Alice (to Everyone): 7:40 PM: The site works, but it's not actually adding people to the email (aweber) like it is supposed to!
Alice (to Everyone): 7:41 PM: I'll give it a try. It's still pulling info from Lain's email, but it's added mine too.
Alice (to Everyone): 7:42 PM: Crazy.
Alice (to Everyone): 7:42 PM: Yes, I bought ScrapHappy from her.
Alice (to Everyone): 7:42 PM: I have. I think moving might be a bit tough.
Alice (to Everyone): 7:43 PM: It's still listing all of her lists of email from her aweber.
Alice (to Everyone): 7:43 PM: That's for sure.
Alice (to Everyone): 7:44 PM: I don't know if they are active, but they aren't on my list. So definitely not paying.
Alice (to Everyone): 7:44 PM: I just wish that step of the automation was working.
Alice (to Everyone): 7:45 PM: No, just for the Membership. It's not even set up to handle the LOAD! That seems like a dream!
Alice (to Everyone): 7:46 PM: I do, but it's just a matter of growth and making the move might be the best choice.
Alice (to Everyone): 7:47 PM: Yes, I loved that you showed me that about the stream.
Alice (to Everyone): 7:47 PM: We use a members-only Facebook group.
